

HOUSEHOLD KITCHEN WASTE RECYCLING... ...with Compost-Zing™

<p>Break food up into small pieces. It should be well drained</p>	<p>Spread 1-2 tablespoons of Compost-Zing over the bottom of the bucket</p>	<p>Tip the kitchen waste into the bucket</p>
<p>Spread 1-2 tablespoons of Compost-Zing over the kitchen waste</p>	<p>Press the food down lightly with a potato masher</p>	<p>Securely close the lid of the bucket</p>
<p>Drain the juice from the bottom bucket</p>	<p>When your bucket is full, close the lid and keep in a warm place out of direct sunlight for about 10-14 days.</p>	<p>When the waste is pickled, it can be used in the garden</p>
<p>Put the waste into a trench in the garden</p>	<p>Mix some soil into the waste and cover with 50-75mm of top soil</p>	<p>After 4 weeks your waste should look like this so sit back and relax</p>
